**Re: Wonderland Station Busway Project  
Request for an Environmental Re-Evaluation**

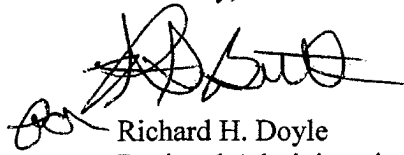

Dear Mr. Grabauskas:

The Federal Transit Administration (FTA) has reviewed the Massachusetts Bay Transportation Authority's (MBTA) letter requesting a re-evaluation of the September 7, 2007 Categorical Exclusion (CE) Determination under 23 CFR 771.117 (d) (10) for a consolidated busway at Wonderland Station in Revere, Massachusetts. Since FTA's environmental determination in 2007, the MBTA has proposed to broaden the scope of the project to include minor roadway and signalization improvements.

After reviewing your letter and attachments, the FTA concurs with the MBTA's recommendation that the revised scope does not alter FTA's September 7, 2007 CE Determination.

If you have any questions regarding this matter, please contact Peter Butler at 617-494-2729.

Sincerely,

  
Richard H. Doyle  
Regional Administration
