### INVITATION TO BID

Separate sealed Bids for construction of Point of Pines Pump Station Upgrade Project in the City of Revere will be received by the Purchasing Department Agent, Marie Zelandi at her office, Revere City Hall, Revere, MA until 12:00 PM, Thursday, February 23, 2012 and at that time and place bids will be publicly opened and read aloud.

The work includes the demolition of existing pumps, piping, electrical and controls systems, including all appurtenances; installation of new submersible pumping station, including all related piping, valves, and controls; modification to the existing heating and ventilation systems; a new emergency generator; bypass pumping, and installation of associated wiring and miscellaneous electrical work. The project duration is 210 days.

Contract Documents may be examined and/or obtained at the Office of the Purchasing Agent, Revere City Hall, 281 Broadway, Revere, MA 02151. Contract documents will be available on Thursday, February 2, 2012 at 1:00 P.M.

A deposit of \$50 in money order, bank or certified check payable to the City of Revere, Massachusetts will be required for each set of the Contract Documents. A refund of the deposit will be made for such Documents returned in good condition within 30 days after the Bids are received.

Bidders requesting documents by mail shall include an additional non-refundable check, in the form of a certified company check, bank check or money order, made payment to the City of Revere in the amount of \$25.00 to cover the cost of handling and mailing.

Bids shall be submitted in accordance with the Instructions to Bidders and be accompanied by a Bid Security, satisfactory to the City, in the amount of five percent of the Bid. Surety is to be in the form of a certified, cashiers or treasurers check, drawn on a responsible bank or trust company; or bid bond issued by a company licensed to do business in the Commonwealth.

Bids are to be sealed in an envelope, marked on the outside with the words Point of Pines Pump Station Upgrade Project, Contract No. WW-003 and returned to the Purchasing Department prior to the opening date and time.

Bidders may not withdraw their Bids for a period of thirty days, excluding Saturdays, Sundays, and legal holidays after the actual date of the opening of the Bids.

The Successful Bidder must furnish a 100 percent Performance Bond and a 100 percent Payment Bond with a surety company acceptable to the Owner.

Complete instructions for filing Bids are included in the Instructions to Bidders.

Minimum Wage Rates as determined by the Commissioner of Department of Workforce Development under the provision of the Massachusetts General Laws, Chapter 149, Section 26 to 27H, as amended, apply to this project. It is the responsibility of the Contractor, before bid opening, to request if necessary, any additional information on Minimum Wage Rates for those tradespeople who may be employed for the proposed work under this Contract. Federal Minimum Wage Rates as determined by the United States Department of Labor under the Davis-Bacon Act also apply to this project.

The bidding and award of this Contract will be under the provisions of M.G.L. Chapter 30, Section 39M.

The Owner reserves the right to waive any informality in or to reject any or all Bids if deemed to be in its best interest.

The work under this Contract is funded by the City of Revere through the Massachusetts Division of Water Pollution Abatement Trust (the "Trust").

Disadvantaged Business Enterprise (DBE) goals are applicable to the total dollars paid to the construction contract. The goals for this project are a minimum of **3.40 percent D/MBE participation and 3.80 percent D/WBE participation** by certified DBEs. The bidder shall submit completed DBE forms (EEO-DEP-190 & EEO-DEP-191) with the bid. Failure to comply with the requirements of this paragraph may be deemed to render a proposal non-responsive. No waiver of any provision of this section will be granted unless approved by the Department of Environmental Protection (MassDEP).

The successful bidder shall comply with the Minority and Women Workforce Participation goals as stated in Article 25 of the Instructions to Bidders.

This Project requires compliance with the Department of Environmental Protection's (DEP) Diesel Retrofit Program by use of after-engine emission controls that are EPA certified, or their equivalent, on all of the off-road (non-registered) diesel vehicles/equipment, and vehicles greater than 50 brake horsepower, which will be used in the performance of the work.
