Motions

15-027 Motion presented by Councillor Novoselsky: That the Mayor, Supt. Of Public Works, Police Chief, and Fire Chief, work out a comprehensive snow removal plan for FY16 to include one-sided parking throughout the city on even-side parking or even-year.

15-028 Motion presented by Councillor Novoselsky: That the Traffic Commission adopt emergency artery designations to the easterly side of North Shore Road between Revere Beach Parkway and Butler Circle.

15-029 Motion presented by Councillor Giannino: That the Mayor request the Globe Direct to command its delivery personnel to only place the flyers on the porches or stairs of those residents receiving the subscription – not thrown on the sidewalk or landscaping. In light of the recent snowstorms, I have received several complaints from residents that Globe Direct flyers have been the cause of broken and jammed snow blowers because the flyers were not delivered properly.
