**13-189 17. Comm. from Cheryl A. E. Whittredge:**

**On behalf of neighbors located in the vicinity of Winthrop Parkway Endicott (towards Ocean) Crescent, Baldwin, Winthrop and Bellingham:**

**Traffic Lights and Camera’s are not resolving the issues. Pedestrians are not allowed enough time to cross, also automobiles are not always able to stop. Concern is for safety of residents, children, elderly physically challenged and pet owners. We have enough population with future possibly too. I live on Winthrop Avenue towards the Ocean. My thought is to do away with the expense of traffic lights cameras and have the Parkway free of Traffic, the whole boulevard for that matter, the Ocean is for enjoyment and I would be willing to discuss this matter with Council at Hearing meeting.**

**Ms. Whittredge addressed the Council.**

**13-190 18. Communication from Sergeant Christopher Giannino:**

**Please find the enclosed document which requests amendments to Title 5, Chapter 5.04, Section 5.04.110 of the Civil Fingerprinting Ordinance. These**

changes must be made before the state will allow us to process fingerprints pursuant to MGL Chapter 6 Section 172B½. The state informed the police department that language within the current ordinance was overly broad therefore we are requesting the proposed amendments.

We respectfully request that this matter be put on the Agenda for 7/22/13 as it is important that we are able to conduct the most thorough background checks for those engaging in the types of businesses referenced in the ordinance.
