Swimming Pool Affidavit

17.24.170 Swimming pool enclosures

Swimming pools, as defined in Section 17.08.850 of this title, shall be **enclosed on all sides at the property lot line** or within fifteen feet of the immediate area of the swimming pool or at the principal structure line wherein the swimming pool is located by an **enclosure or barrier of six feet in height**, excluding there from the height of the principal structure if the principal structure serves as one of the walls of the swimming pool enclosure. The enclosure shall be firmly secured at ground level and all entrances shall be of a height and self-locking to make the swimming pool area inaccessible from the outside. All horizontal members of a fence that can act as a ladder must face the side enclosing the pool. If a pool exists in the abutting yard, then no horizontal members shall be uncovered on either side of the fence. This requirement shall supplement but not supersede any enclosure requirements of the Mass. State Building Code 780 CMR. (C.O. 98-293A § 11; C.O. 88-362 § 1)

17.16.260 Accessory use - Section F (2)

No wall of a swimming *pool*, hot tub or spa whether in ground or above ground shall be located **less than six feet from any rear** or side property line **or ten feet from any street property line**.
